▶ FINE ART GALLERY ◀

First Friday, November 1st, from 5 to 8 PM!

Come join us for an evening of art!

Come select one of Guest Artist Pete Dougherty's work for your own collection. Pete was an award recipient at this year's Tennessee Artist Association Member Show. His photorealistic oil paintings available at Pivot Point Gallery include African elephants, picturesque bridges and landscapes, as well as a timeless East Coast lighthouse. You might even get the chance to meet the artist in person, as Pete is often in the gallery to speak about his work as well as his love of art and his traveling experiences to capture his majestic subjects.

New Works by award winning Knoxville-Based artists Susan Verekar and Shannon Deana Johnson will be in the spotlight through the month of November. Come choose your favorite and support these lovely local artists!

November is a great time to bring some new vibrance home with an original piece of art to showcase at your holiday gatherings!!

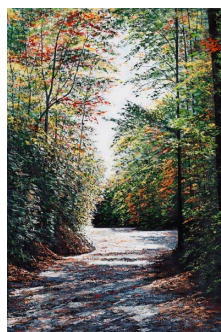

Support Artists Affected by Hurricane Helene

Based in the Carolinas, several of our artists have experienced first-hand the devastation caused by the aftermath of Hurricane Helene. Each purchase of their artwork provides direct support to their livelihood. Please consider purchasing from these talented professionals with your year-end holiday selections. Your support can truly make a difference!!
