Workshops and Instruction

Graduate Student Data and Publishing Support

Publishing with LaTeX

Wednesday, 11/17/21 6:00pm - 7:30pm

tiny.utk.edu/LaTeX

Beginner level LaTeX skills for preparation of scientific and technical documents. Topics covered will include basic document structure, tables, figures, formulas, packages, citations as well as templates.

Literature Reviews - 1 Hour Bootcamp (Live Online)

Thursday, 11/18/21 10:00am - 11:00am

<https://workshop.utk.edu/workshopinfo.php?workshop=944>

The Literature Review One Hour Boot Camp prepares UT graduate students in science and engineering for the literature review research process.

Getting Data with Python I: Machine Readable Formats

Wednesday, 03/23/22 10:00am - 11:30am

<https://workshop.utk.edu/workshopinfo.php?workshop=781>

Machine readable data formats, such as XML, JSON, and even CSV files, describe data which is structured in such a way as to support processing by computers.

Getting Data with Python II: Application Programming Interfaces

Wednesday, 03/30/22 10:00am - 11:30am

<https://workshop.utk.edu/workshopinfo.php?workshop=782>

Application Programming Interfaces (APIs) are commonly implemented as a means of exposing data via web services-- particularly data in machine readable formats. Learn common terminology, architectures, and strategies for working with APIs using examples from resources through UT Libraries and from around the web.

Searching as Exploration Learning Collection

Library Tutorials

<https://www.lib.utk.edu/instruct/searching/>

The "Searching as Exploration" collection helps students learn how to search effectively, explore library resources, and reflect on their experiences. These basic resources are aimed at students who have little or no research experience.

Speaking Volumes

Ten Things Students Should Know About UT Libraries

<https://volumes.lib.utk.edu/features/ten-things/>

At every step in your academic journey, the library is here to help you. Whether you're a new Vol or a returning one, here are ten things to help you take full advantage of

Production and Presentation Support

Find the equipment and help you need for any project.

- [Large Format Printing @ Hodges & Pendergrass](#)
- [3D Printing @ Pendergrass](#)
- [Print, Audio and Video Production @ Studio Equipment Desk @ Commons South](#)

Items include loaner laptops, headphones, and digital cameras.

- [Data Services @ Scholars Collaborative](#)
Help with finding, analyzing, sharing and preserving data.
-

Graduate Student Resources

Learn about what services and resources UT Libraries have to support [graduate students](#) teaching and research.

- [Teaching support](#)

Featured

Women in Horror Exhibition

The goal of the original Women in Horror Month (WiHM), founded by Hannah Neurotica in 2009, was to: "learn about and showcase the underrepresented work of women in the horror industries." The Women in Horror program here at Hodges Library answers the call to action by aiming to highlight the work of creators and raising awareness about the under-representation of women working in the genre.

Trials

APA PsycTests

APA PsycTests' expertly-created metadata allows you to instantly find and download instruments for research and/or teaching.

Trial ends October 22, 2021

BAR Digital Collection

Academic archaeological research books from around the world.

Feedback

Trial runs August 26, 2021 - October 29, 2021.

New

[EventStatus Corpus](#)

Data Available: Event Status Corpus 2017. A corpus designed to support the study of the temporal and aspectual properties of major civil unrest events from English and Spanish news articles annotated with temporal tags.

Collections

[Anna Catherine Wiley Sketches](#)

Approximately 150 of Wiley's works are shared in this collection. They include figure drawings, pencil sketches, and bookplate designs as well as her ink illustrations for the University of Tennessee's yearbook, The Volunteer.

[Tennessee Volunteers Magazine](#)

Published by the University of Tennessee Athletic Department to provide articles and statistics on a variety of sports.
